

Protagonisti
di ogni tempo.

**Dagli anni '70
memoria e tecnologia
per plasmare il futuro.**

“Il settore industriale è la nostra passione. In 50 anni di attività non abbiamo mai smesso di seguirlo, di ascoltarlo, andando a realizzare impianti di verniciatura anche imponenti, ma sempre e comunque performanti e tecnologicamente all'avanguardia.

La nostra competenza progettuale ci ha portato non solo a soddisfare le specifiche esigenze di business del cliente, ma spesso a superarne le attese stesse, affiancando alle performance produttive spinte delle nostre soluzioni, il rigoroso rispetto delle norme internazionali e dell'ambiente.

Il nostro saper ascoltare e saper fare è diventato motivo di orgoglio e di scelta in più di 20 paesi nel mondo. La creazione di una nuova business unit dedicata ci permetterà di ampliare ulteriormente la nostra platea: ed è proprio grazie all'immaginazione dei nostri clienti che arriveremo ovunque.”

Protagonists
of all times.

**Since the 70s,
memory and technology
to shape the future.**

“The industrial sector is our passion. In 50 years of activity, we have never stopped following it, listening to it. We conceived impressive painting systems, and they were always outperforming and technologically advanced.

Our design expertise has led us not only to meet the specific business needs of the customer, but often to exceed his same expectations, combining the outstanding productive performances of our solutions with a strict compliance with the international standards and the environment.

Our ability to listen and know-how have become a source of pride and choice in more than 20 countries around the world. The creation of a new dedicated business unit will allow us to further expand our audience: and it is thanks to the imagination of our customers that we will get anywhere”.

Protagonistas
en el tiempo.

**Desde los años '70,
memoria y tecnología
para plasmar el futuro.**

“El sector industrial es nuestra pasión. En 50 años de actividad nunca hemos dejado de seguirlo, atendiendo sus necesidades específicas y llegando a realizar instalaciones de pintado realmente imponentes, eficientes y tecnológicamente a la vanguardia.

Nuestra competencia en el desarrollo y diseño de nuevos proyectos nos ha permitido satisfacer las necesidades específicas relativas al sector de nuestros clientes, superando en muchas ocasiones sus expectativas, compatibilizando el alto rendimiento productivo, impulsado por nuestras soluciones tecnológicas, y el riguroso respeto de la normativa y medio ambiente.

Nuestra capacidad de atención y conocimiento es a día de hoy motivo de orgullo y elección de nuestros productos en más de 20 países en el mundo. La creación de una nueva división de negocio específica para el sector industrial nos permitirá ampliar ulteriormente nuestra platea: y precisamente gracias a la imaginación de nuestros clientes lograremos superar cualquier límite.”

Innovateurs
de longue date.

**Depuis les années 1970,
l'expérience et la technologie
pour façonner l'avenir.**

“L'industrie est notre passion. En 50 ans d'activité, nous n'avons jamais cessé de l'accompagner, de l'étudier, de produire et d'installer des équipements de peinture qui, même imposants, sont toujours performants et technologiquement avancés.

Notre compétence par conception nous a conduit, non seulement à satisfaire les exigences spécifiques de chaque client, mais souvent à dépasser leurs attentes, en combinant les performances innovantes de production de nos équipements avec le strict respect des normes et de l'environnement.

Notre savoir écouter et savoir-faire est devenu un motif de fierté et de choix dans plus de 20 pays à travers le monde. La création d'une nouvelle unité opérationnelle dédiée nous permettra d'élargir encore notre audience : et c'est grâce à l'imagination de nos clients que nous réussissons partout.”

Innovatoren
seit vielen Jahren.

**Seit den 1970er
Jahren gestalten Erfahrung
und Technologie die Zukunft.**

“Der Industriesektor ist unsere Leidenschaft. In 50 Jahren haben wir nie aufgehört dieser Leidenschaft zu folgen und ihr zuzuhören. Wir haben beeindruckende Lackiersysteme gebaut, die immer effizient und technologisch fortschrittlich sind.

Unsere Designkompetenz führt dazu, dass wir nicht nur die spezifischen Anforderungen des Kunden erfüllen, sondern häufig auch dessen Erwartungen übertreffen und die innovative Produktionsleistung unserer Anlagen mit der strikten Einhaltung internationaler Standards und der Umwelt kombinieren.

Unsere Fähigkeit zuzuhören und unser Know-how sind in mehr als 20 Ländern der Welt zu einer Quelle des Stolzes und der ersten Wahl geworden. Durch die Schaffung eines neuen Geschäftsbereichs können wir unseren Kundenkreis weiter ausbauen. Dank der Fantasie unserer Kunden werden wir alles erreichen.”
